**AOPA RUSTY PILOT SEMINAR AT SHELBYVILLE AIRPORT  
SPONSORED BY SHELBYVILLE FLIGHT ACADEMY**

**Saturday, April 13 - 9:00am - 12:00pm**

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in this Rusty Pilots program with fellow lapsed pilots. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge. The Rusty Pilots program is developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and a part of the general aviation community. By attending, you'll be getting two to three hours of ground instruction towards your flight review!

**Pre-registration is encouraged since seats fill up fast!** To pre-register for this event click [here](#) or copy and paste this address in your browser
