

Aviation Discovery Camp

Ever Dreamed of Flying? Considering a Career in Aviation?

Join us for our Aviation Discovery Camp and get your chance to fly in a Cessna Aircraft. This week long day camp is for students 12 and older who are interested in aviation.

All courses are taught by Certified Flight Instructors who enjoy sharing their knowledge and expertise in the field of aviation.

Classes include:

- one hour flight time, ½ hour flying and ½ hour observing
- aerodynamics, aircraft controls
- aircraft maintenance
- communications and radio procedures
- aviation weather, aeronautical charts and cross county planning
- aviation careers including management, maintenance, and air traffic control.
- a field trip to the U.S. Space & Rocket Center, Huntsville Alabama

The summer camp program explores the science behind aviation and provides each student with the opportunity to experience flight. Hands on activities, problem solving tasks and an actual flight lesson are included. Students will be provided with a professional logbook, t-shirt and flight certificate upon completion.

Classes to be held July 15 to 19 – 9am to 3pm

Tuition \$495.00 – Reserve early as camp is limited to 10 participants.

Additional one on one flight instruction is available for \$75.00 per ½ hour
